## "See it, Touch it, Breathe it"

## 100% Experience Tassie Tour

Australian animals, Australian BBQ and some site seeing is what's in store for you. Come and join us on a fun filled Tasmanian cultural tour. First we will show you Hobart's top ten must see's. From the convict influence to Hobart's best beaches and country side.

Then, make our way to award winning Bonorong Wildlife Sanctuary. Here you will not only see the Tasmanian wildlife but feed Kangaroos and Tasmanian Devils.

After this your sure to be hungry. We are going to cook you an Australian BBQ. Cooked by the beach as all Australians love to do. Taste our Tasmanian beef and wallaby while soaking up the sun, surf and sand. True Aussie style.
